iUniverse, United States, 2005. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. Hauntingly touching - December 23 combines politics and science fiction touching upon a vast array of emotions. Spiro Milas captivates readers with his uniquely casual, yet powerful style in this fast-paced coming of age thriller. How can I appreciate my country if it were just given to me- unearned, was the thought that inspired a young boy to be given a spiritual and cultural journey to understand what attributes America was made of. Captain America, is the nickname given to him by Sandy-a young, nearly deaf girl, who teaches him about his destiny. Through experiences with others, this young man becomes Americanized by the lessons he gains. Love, hatred, betrayal, rage, sacrifice, good, and evil are some of the lessons he learns. Something doesn't want him to complete his journey though. His journey would come full circle on December 23 if he could make it.
