What do Ukrainians want In a rollicking, entertaining read, Babas Kitchen will lead you into the complex soul of Eastern Europe's Indigenous people. Ukrainian author Raisa Stone spent 50 years collecting heart wrenching and hilarious stories and 190 recipes from survivors of Soviet and Nazi terror, including her family. Raisa's narrator, Baba (Grandma), is a composite of these invincible souls. Ukraine has been continuously inhabited by civilized, immensely inventive people for 44,000 years. What we see in Ukraine's recent events is resistance to hundreds of years of oppression. Between tales of magical encounters with Nature spirits and steaming bowls of borscht is the true confession of the author's elderly neighbour: she murdered her abusive husband. The deadly story unfolds under the guise of cooking...
