Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. It is war between the North and the South, Uncle Horatio, and I suppose my father did not feel like writing any letters. Gerty never writes any letters if she can help it, Corny explained. But Gerty used to write to Florry about once a week. Did she? I didn't know it. She never would write to me when I was away from home, said Corny, who seemed to be very anxious not to say anything that was not consistent with the present situation, whatever it was. When I parted with my brother on board of the Bellevite, both of us shed tears as we realized that war made enemies of us; but each of us promised to do all he could for the other in case of need. I am very sure that there was not the slightest unkind feeling between us. Of course, I did not expect him to write me the war news, but I think he could have written a few lines without any allusion to the war, said Captain Passford, pained at this want of filial affection on the part of his brother.
