Arcadia Publishing, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Title: Images of Aquarena's Past Author: Bibb Underwood Publisher: San Marco's Daily Record Date: 10/23/09 San Marcos -- Three generations of the Rogers family made significant contributions to the history of San Marcos. A member of the fourth generation recorded that history. Doni Weber, great-granddaughter of A.B. Rogers, has written and compiled a comprehensive narrative and pictorial history of what was once the defining landmark of San Marcos. In her new book, "Images of America: Aquarena Springs," Doni has captured, not only the chronology and wonder that was Aquarena during its heyday, but the book provides a rare look into the era of a simpler life. It defines what entertainment was before the introduction of the air-conditioned behemoths that ply the interstate highways and the construction of the gargantuan theme parks, i.e., Sea World, Fiesta Texas and Six Flags. Doni will have a book signing at Hastings Books, 917 Highway 80, in San Marcos from 1 to 3 p.m. Saturday. Royalties from the sale of the book will go to fund the restoration and maintenance of the glass-bottom boats now in use at the Aquarena Center. (See SMDR of Oct.4). Doni's effort was sparked by Ron Coley, director of Aquarena Center, who, in the spring of 2008, had a chance meeting with a representative of Arcadia Publishing, a house that specializes in the publications of local and regional history books. Ron then met with local resident and third generation descendent, Shirley Rogers and another member of the family to discuss the project. It was agreed that Doni, Shirley's daughter, was the logical person to head the project. As a former, English teacher, she has an MA in English and experience in the publishing...
