Elementary Practical Mechanics (Classic Reprint) (Paperback)

By Joseph M Jameson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Elementary Practical Mechanics The accompanying text is an attempt to express practical mechanics as the science of the processes and structures of every-day life rather than as a series of more or less abstract mathematical demonstrations. It aims to convey not only a knowledge of facts and of fundamental theory, but also some training in ability to apply such knowledge; to equip the student who is to receive no further formal instruction in mechanics with practical information required for business or industrial life, and to establish a foundation and right point of view for the student who is to continue his study along applied lines, which shall enable him to advance without confusion or loss of time in acquiring new methods and a new vocabulary. It is designed primarily as a text for elementary technical and manual training schools which find the usual texts in elementary mechanics too theoretical or too mathematical for their needs, and which require a more complete and practical course than that furnished by a text in general physics; also as an...
