## **WAITING FOR THE BARBARIANS: ESSAYS FROM THE CLASSICS TO POP CULTURE**

[DOWNLOAD](#)

New York Review Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Mendelsohn is a deep thinker with insightful charm. All fans of intelligent thought on popular culture will appreciate his commentary." -- Library Journal "Mendelsohn's work is absolutely vital in both senses of the word--it breathes with an exciting intelligence often absent in similar but stodgier writing, and it should be required reading for anyone interested in dissecting culture, or who simply find themselves thinking about the complex flaws of an almost-good movie a week after leaving the cinema. In the book, his scope includes both the high- and middlebrow.Taken together, the collection offers a sort of defense of the modern age of culture. If a true-blue classicist can engage with the current zeitgeist using the full weight of his intellect and without an iota of demoralization, than the rest of us have no excuse." --Nicholas Mancusi, The Daily Beast "Even more than his earlier books about literature and culture, it displays his characteristic strengths of style and judgment and his distinctive and engaging voice. As always, he is surprising yet convincing when he praises what practically everyone else condemns, or sees through the pretensions and confusions of books and dramas that everyone else admires." --Edward Mendelson, The New York Review of Books " Waiting for the Barbarians adds up to more than the sum of its parts, evidencing an impressive range, depth and nobility of mind. Mendelsohn is a trained classics scholar, from which much of his intellectual authority still derives: witness his brilliantly illuminating, lucid essays on Homer, Sappho, Herodotus and Horace. He writes about pop culture with equal enthusiasm." --Phillip Lopate, San Francisco Chronicle " Waiting for the Barbarians , [Mendelsohn's] latest collection of essays and reviews, is full..."
