Light Technology,U.S., United States, 2002. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. The core personality of that being known on the Earth as Jesus, along with his students and friends, describes with clarity and love his life and teaching 2000 years ago. He states that his teaching is for all people of all races in all countries. Jesus announces here for the first time that he and two others, Buddha and Mohammed, will return to Earth from their place of being in the near future. And a fourth being, a child already born now on Earth, will become a teacher and prepare humanity for their return. So heartwarming and interesting, you won t want to put it down.
