Chloe Fitch has been home-schooled until recently, but now she wants to try out public school. She will be entering public school her sixth grade year. She even meets two guys on the first day. Samuel and Jacob both fall in love with Chloe from the first sight of her. One doesn't want to be seen with her around his friends, and the other can't admit he likes her but hints out clues. In the middle of all that Chloe gains her family's powers; telepathy-controlling things with your mind- and healing don't seem like a good match, but Chloe does not have a choice. Think it is going to be easy juggling everything at once. This item ships from La Vergne, TN. Paperback.
