*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, How I Lost You, Jenny Blackhurst, A brilliant debut psychological crime novel, for fans of THE WICKED GIRLS. They told her she killed her son. She served her time. But what if they lied? I have no memory of what happened but I was told I killed my son. And you believe what your loved ones, your doctor and the police tell you, don't you? My name is Emma Cartwright. Three years ago I was Susan Webster, and I murdered my twelve-week-old son Dylan. I was sent to Oakdale Psychiatric Institute for my crime, and four weeks ago I was released early on parole with a new identity, address and a chance to rebuild my tattered life. This morning, I received an envelope addressed to Susan Webster. Inside it was a photograph of a toddler called Dylan. Now I am questioning everything I believe because if I have no memory of the event, how can I truly believe he's dead? If there was the smallest chance your son was alive, what would you do to get him back? A compulsive, thought-provoking and thrilling novel from a fantastic new talent.
