

## The 20 Days Before and After the Birthday: The Only Two Rules of Astrology Certified by Official Science (Paperback)

By Ciro Discepolo

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The aim of this short volume is to illustrate to my colleagues the technical and non technical reasons that have led me to declare that rules n. 1 and n. 2 of my 34 rules included in Transits and Solar Returns (but published in many articles and books since 1972) are the only astrological statements that have been accepted by Official Science in the whole history of human thought. However, this important goal in the history of Astrology has not been greeted with much enthusiasm by colleagues and fellow astrologers. On the contrary, it has been even opposed by some of them, simply out of envy. On the other hand scientists, namely those who use Science in an essentialist way, have predictably ignored this event. Hence, with no celebration but no false modesty either, I wish to illustrate the path that has led me to this important goal to those who are little familiar with Statistics. I wish to emphasize once again that I consider Astrology Art rather than Science or, by any rate, a Human Science epistemologically...
