## CAREERS FOR WOMEN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Careers for Women This compilation is the result of the demand for vocational information to help the youth of the country in its choice of a life career. The value of this form of vocational guidance lies in its power to prepare one for the responsibilities of economic life by making the facts about the various means of livelihood available. Greater knowledge creates greater efficiency and human happiness, as it tends to eliminate the extra and unnecessary time spent in discovering the best place for one's ability. Lack of knowledge of the opportunities for work results in a waste of time and energy which reacts on production and on society itself. Even though the youth may never intend to work, a knowledge of the opportunities for service is of great social value. It is a function of education to contribute to human efficiency in economic production and this is being accomplished largely through broad vocational education. Modern educators realize the need for vocational education, and the result is that vocational guidance and vocational training are being introduced into all branches of school life. Grade schools, high schools, and colleges are appointing vocational advisors as members of their staffs, whose duties involve counseling with individuals to help them discover their potentialities and influence them to continue their schooling when necessary so that they may become better fitted for work. The large numbers withdrawing before they reach the secondary schools do so because of lack of interest rather than economic pressure. This throws the responsibility on those who create school curricula. Our school programme should be fitted to the needs of the community. About the Publisher...
