In our society today, it seems to be the norm to see a variety of "blended" families due to a number of reasons such as divorce, teenage pregnancy which results in a child or children born to unwed mothers and fathers, deaths of spouses, etc. that causes your "typical" families to break-up which often times unite two parents with children either by marriage or co-habitation to form the quot;blendedquot; family. This book reveals how one such quot;blendedquot; family dealt with the challenges by praying for guidance which resulted in establishing values in their children to become responsible adults in our society. It's a must read book for any quot;blendedquot; family seeking ways to help deal with problems associated with quot;blendedquot; families.
