A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.

Kyle is a college sophomore worrying about the usual things students do, like what he's going to major in and getting along with his dorm mates, but he attends a most unusual college. He's a student at Veritas, the hidden magical university inside Harvard. Before he got to Harvard, Kyle hadn't even known he was magical. Now he finds he has a talent for sex magic and the erotic arts. Not only that, a girl in his sex magic class has a crush on him. Kyle looks forward to lots of study sessions together with Ciara and their friend Marjory, but when their professor is mysteriously attacked, Kyle finds himself embroiled in a mystery deeper than university department politics. Someone has been stealing magical artifacts and the dean suspects Ciara, sending Kyle on a quest to discover the real culprit. Kyle will learn sizzling sexual technique and unleash powerful magic on his incredible erotic journey, but is the study of sex really the route to true love? Perhaps what Kyle needs to learn about most is himself. The Tower and the Tears is the second book in the Magic University series by Cecilia Tan. Bringing together myth, magic, eroticism, and the Tarot, the Magic University books are for all the adult readers of classic fantasy who want a bedtime tale of their own.
