Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Part of the manuscript for But what is Life.anyway? was created while I was studying Creative Writing at the State University of New York at Albany under author Mark Nepo. Many of the writings are based on life experiences that happened either during my college years or thereafter. The main issues that are written about are racism, plagiarism, lust, and desire. Whether focusing on the Almighty or unicorns, there is loneliness, isolation, as well as abandonment. Many have said, and continue to do so, that without struggle or pain, there is no living - no life. Well, But what is Life.anyway? definitely walks one through this writer s journey to find the answer.
