Dimensions: 8.9in. x 6.0in. x 0.9in. **We Dont Need Another Wave** is a critique of the ways in which feminism is discussed in the mainstream media. Todays young feminists are wary of being labeled. They are media-savvy, hyper-aware of being categorized and marginalized, and are here to tell the world that feminists are feminists diverse in age and experience and that its time to drop the labels in favor of proactive agendas and united goals. Topics that matter to young feminists range from lighter issues, such as DIY culture and craftivism, to heavy-hitting issues that feminists have struggled with for generations, including abuse, rape, shame, and self-hatred. The young writers in this collection band together under the banner of feminism to share the message that the F-word is a good thing, and that feminists are breaking new ground while still valuing the traditions and achievements of their sisters and foremothers. **We Dont Need Another Wave** brings a message of unity and a message to get beyond subcategorizing a movement that needs cohesiveness and strives on strength in numbers.
