Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: N/A. Brand New Book ***** Print on Demand *****.Ronnie James The Rocket DeRenzo is a hard luck Jersey cowboy, a dateless wonder unloading trucks to pay his way through State College when he decides to beat the miserable economy by starting his own band at the dawning of the punk rock revolution. Things begin to happen when the magical Leafstoan, a mystical fossil boulder on Rocket's lawn in the gentrifying, semi-rural town of The River, changes the course of time and space and catapults him on a journey of love, stardom, great wealth, influence and power -- at a high cost. This is the almost true story of Johnny Rocket and his friends, his struggle for fame, love and mental health and his battle for truth, justice and the American way. This book is the complete, updated two novel set as it might have played out in a parallel universe.
