He might be the man of her dreams, but he s also the father of one of her students; as such, he s strictly off-limits.Callum Drake knows a good thing when he sees one, and he doesn t want to let Brooklyn get away, even if his rival for her affection is the ghost of her dead husband. He ll do whatever it takes to win her over, including making chocolates concocted just for her chocolates that evoke memories of their time together. But can he create a second love bright enough to pull her, and her heart, out of living in the past?.
