

## The In Vitro Meat Cook Book

By Koert van Mensvoort, Hendrik-Jan Grievink

BIS Publishers B.V. Hardback. Book Condition: new. BRAND NEW, The In Vitro Meat Cook Book, Koert van Mensvoort, Hendrik-Jan Grievink, Hello meat lovers, hello vegetarians. We need to talk about the future of meat. With the worlds population expected to reach nine billion people by 2050, it becomes impossible to produce and consume meat like we do today. In vitro meat, grown from cells in a laboratory, could provide a sustainable and animal-friendly alternative. Yet, before we can decide if we are willing to eat in vitro, we must explore the new food culture it will bring us. This cookbook presents 45 recipes that explore and visualize what in vitro meat products might be on our plate one day. As in vitro meat is still being developed you cannot cook our recipes just yet, however, they will provide abundant food for thought and discussion.
