

American Higher Education in Crisis?: What Everyone Needs to Know

By Goldie Blumenstyk

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, American Higher Education in Crisis?: What Everyone Needs to Know, Goldie Blumenstyk, American higher education is at a crossroads. Technological innovations and disruptive market forces are buffeting colleges and universities at the very time their financial structure grows increasingly fragile. Disinvestment by states has driven up tuition prices at public colleges, and student debt has reached a startling record-high of one trillion dollars. Cost-minded students and their families-and the public at large-are questioning the worth of a college education, even as study after study shows how important it is to economic and social mobility. And as elite institutions trim financial aid and change other business practices in search of more sustainable business models, racial and economic stratification in American higher education is only growing. In American Higher Education in Crisis?: What Everyone Needs to Know, Goldie Blumenstyk, who has been reporting on higher education trends for 25 years, guides readers through the forces and trends that have brought the education system to this point, and highlights some of the ways they will reshape America's colleges in the years to come. Blumenstyk hones in on debates over the value of post-secondary...

Reviews

A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.

-- Zetta Armstrong III

It in a single of the best pdf. it had been written quite properly and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
