Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Principles and Practice of Cost Accounting for Accountants, Manufacturers, Mechanical Engineers, Teachers and Students This work has for its object a comprehensive and practical presentation of the general principles upon which cost accounting for manufactured articles is based, the application of these principles in a general manner to the most common types of manufacture and the illustration of the details. These latter vary so greatly under different manufacturing conditions, and may become so numerous and complex that any work on this subject would seem incomplete which did not deal thoroughly with them. However, no one book, on even manufacturing cost alone, could hope to cover the subject in its entirety. Repetition, and reference to other sections, will be found in the text, but, for the sake of clearness, this could not be avoided. The subjects of Efficiency Engineering (more properly, but less commonly spoken of as Factory Management) and Cost Accounting are herein considered as distinct, since the accountant is seldom the master of both; but properly speaking, the subjects are very closely related. The...

### Reviews

*This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.*

-- Mrs. Anya Kautzer

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*
