Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Symbols have been used by secret societies since time immemorial; their power is used to control minds as they seek to transcend established laws and governments. The Illuminati is perhaps the largest secret organization in the world and while many have yet to come to terms with the reality that they are introducing a New World Order, those who have embraced the truth have made positive steps to inform others of what could mark the start of yet another dark age. Many theories have been postulated to create an illusion of a world under one government in which the Illuminati ideals form the fundamental principles of governance, application of laws and the administration of punishment. The little that is known of the Illuminati brings to the fore some commonalities. Including the fact that the Illuminati seeks to control the world by instilling fear and meting death on those perceived to be opposed to its ideals. This book illustrates how the Illuminati operates: The mysterious circumstances under which the Illuminati was founded. The symbols that define the Illuminati with special emphasis on meanings, and how they affect you. An in-depth analysis of the founding families. A new perspective of the New World Order. Why the Illuminati prefers the media as a tool for executing its plans.
