Taschen GmbH. Paperback. Book Condition: new. BRAND NEW, Renzo Piano, Philip Jodidio, The mechanics of lightness. The wide-ranging career of the Italian virtuoso. "The array of buildings by Renzo Piano is staggering in scope and comprehensive in the diversity of scale, material, and form. Every book in TASCHEN's "Basic Architecture Series" features: approximately 120 images, including photographs, sketches, drawings, and floor plans; introductory essays exploring the architect's life and work, touching on family and background as well as collaborations with other architects; the most important works presented in chronological order, with descriptions of client and/or architect wishes as well as construction problems and resolutions; and, an appendix including a list of complete or selected works, biography, bibliography and a map indicating the locations of the architect's...
