Without status, official identity, or the freedom to return to his former home in Beijing, he's lived with the forbidden lamas for the past year. But now there's apparently been a murder in a ruined monastery and the very officials who exiled Shan are after his help. In a baffling case involving the FBI, Chinese Ministers, and British relief workers, Shan travels from Tibet to Beijing to the U.S. to find the links between murder, missing art, his former gulag, and his own long-unseen son.

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.
