Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Citizenship, Mark Ravenhill, Dan Rebellato, Citizenship is a bittersweet one-act comedy about growing up, following a boy's frank and messy search to discover his sexual identity. Tom dreams of being kissed, but he's not sure whether by a man or by a woman, and he feels he should choose pretty quickly. His friends' homophobic teasing and interrogations about what he did with his friend Amy the other night leave Tom no space to make up his mind, and he's got no one to ask for advice, except maybe people on the internet. Citizenship captures adolescent confusion with a witty and sensitive charm, crackling with humorous and authentic dialogue. Originally developed as part of the National Theatre Connections Programme, it is an ideal play for young performers.
