Can you see what I see? asks Virginia Lynn Anderson who is a renaissance person both in heart and in action. She is an artist, musician, storyteller, healing practitioner and spiritual minister. Her work as an artist has brought Virginia into the classroom to inspire children to paint, but it doesn t end there. The paintings turn into stories and the children become the dramatic actors, singers and musicians. Inspiration is the keynote for all that she does and her multi-dimensional approach is integral to her work. Virginia collaborates often with her husband and muse, Craig Norton, who is a musician and professional photographer. Together, they have a company called Playtivity which brings interactive music and storytelling programs to audiences young and old.
