The Moth: This is a True Story

By Catherine Burns, The Moth, Neil Gaiman

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Moth: This is a True Story, Catherine Burns, The Moth, Neil Gaiman, With an introduction by Neil Gaiman Before television and radio, before penny paperbacks and mass literacy, people would gather on porches, on the steps outside their homes, and tell stories. The storytellers knew their craft and bewitched listeners would sit and listen long into the night as moths flitted around overhead. The Moth is a non-profit group that is trying to recapture this lost art, helping storytellers - old hands and novices alike - hone their stories before playing to packed crowds at sold-out live events. The very best of these stories are collected here: whether it's Bill Clinton's hell-raising press secretary or a leading geneticist with a family secret; a doctor whisked away by nuns to Mother Teresa's bedside or a film director saving her father's Chinatown store from money-grabbing developers; the Sultan of Brunei's concubine or a friend of Hemingway's who accidentally talks himself into a role as a substitute bullfighter, these eccentric, pitch-perfect stories - all, amazingly, true - range from the poignant to the downright hilarious.

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.

-- **Miss Lavonne Grady II**

Excellent eBook and helpful one. This can be for all who statte there was not a worthy of studying. You will not feel monotony at at any moment of your respective time (that's what catalogs are for regarding when you request me).
