iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. Every year, more and more would-be bikers take to the open road in an effort to get some kicks and enjoy a fuller life. But too many, too often, become mesmerized by the image of rough riding icons, and lose track of their own self-exploration. The Shovel Revival is an observation, and an appeal, to every rider of every age, to fearlessly adhere to a higher purpose. Genuine satisfaction on the road comes in the form of risk-taking and letting loose, not following the crowd or playing dress-up.
