

Ascension Path Work: A Pocket Guide (Paperback)

By Joanna L Ross

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Chris Mariotti (illustrator). 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.In response to the overwhelming number of new awakenings upon Gaia, and with each and every new awakening, the electromagnetic energy spurs even greater potential for others to seek their own light. Our planetary awakening and ascension are the most pure examples of the snowball effect; however, at this time, it is best described as the illuminated galactic human effect. There have been many secrets kept from humanity as a whole since the beginning of our lives upon Earth, but we are now ready to step up into our new truth. There is no greater force than Source essence revealed as a result of daily path work and inner seeking, and in this, there is no stronger vibration and power to create and manifest a true harmonic change.
