

## Practical Farming and Gardening (Classic Reprint) (Paperback)

By Willis Macgerald

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Practical Farming and Gardening There are three classes of farmers, says Dean Davenport, of the Illinois State College of Agriculture; one class studies, experiments, originates; another class emulates the success of the originator, imitates his methods, and in time learns to go to first sources for information; a third has little faith in book-learning, and, misunderstanding success, will neither imitate nor learn. The whole tendency of modern times is to make farming so difficult a calling - so to raise the standard of competition - that the third class will be crowded to the wall and be forced into the poorest lands. It is for the class that puts brains into the management of soil and plants and animals that this volume has been published. The several articles have been prepared with a single view to giving a brief, but sufficiently comprehensive, introduction to modern agricultural practice. This composite of the sciences which we call farming is not to be dished up in a single volume; but in a single volume it is quite possible...
