Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Liguori Publications, U.S., United States, 2013. Paperback. Book Condition: New. Katherine Borgatti (illustrator). 208 x 137 mm. Language: English . Brand New Book. Brother Martin worked in the infirmary at the monastery, and opened an orphanage and a hospital. He gave out food and supplies to people in the city. He cared for the slaves from Africa. Brother Martin loved all God's creatures. Everyone loved Brother Martin. His heart was full of love for all people and all races. He felt that they were his brothers and sisters. People called him Martin of Charity. His whole life had been a gift to others. Saints are real-life heroes and heroines of faith who inspire us by their virtues to become more like Christ. In the new series of early reader books, *Saints and Me!*, the real stories of saints come to life and connect with today's children, ages 4 to 9. Lively, full-color illustrations on every page match the text, aiding emerging readers with the text and story sequence. Each biography is themed with virtues that the saint models for young children. A companion activity book for the set offers coloring pages, simple word searches featuring words from the texts, and other activities.
