Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Miss Robinson had first seen Wyndham and fallen in love with him on the day that he appeared in the road as a neighbour and set up his studio there. But that was years before, and she had never made his acquaintance. He was the Prince Charming of the romances, handsome, of knightly bearing, with a winning smile on his frank face. From her magic window in the big corner house where the road branched off into two, she had narrowly observed his goings and comings, had watched eagerly all that was visible of his romantic, mysterious profession-the picturesque Italian models that pulled his bell, the great canvasses and frames that, during the earlier years at least, were borne in through his door, to reappear in due course as finished pictures on their way to the exhibitions-and it was sometimes possible to catch glimpses of stately figure-paintings and fascinating scenes and landscapes.
