Young Cool Kids Learn Spanish has been carefully written with 5 - 7 year olds in mind by a qualified and experienced foreign languages teacher. The book introduces the Spanish words, then practices these words in a fun way so as to engage the child and to embed these words in the child's learning. The fun activities for practicing Spanish include matching words to pictures by drawing a line, circling the correct word, word searches and copying or writing just a few words per page. The book is full of Spanish words and lovely images for these words that the children can colour as they look at the Spanish words. The topics in this book include numbers, pet animals, essential Spanish words, clothes, the garden, the farm and ice creams. At the back of the book is a useful Spanish-English word list and also the answer section. Learning a foreign language at an early age can be an enjoyable and useful experience, and this book would be a great way for any child to learn Spanish.
